

Note: it is necessary to use the approved fish growers from the two lists below for delivery of live aquaculture products in Utah. The approved fish grower shall deliver his product directly to the site of private ponds. If the use of a broker or other delivery options are necessary, then a certificate of registration may be needed for private pond owners (call Utah Division of Wildlife Resources at 801-538-4701). The following lists are subject to periodic change. If you have any questions, contact the Utah Department of Agriculture & Food at 801-538-7046.
