## **Qualifying Party (QP)**

During the 2018 Legislative Session, a new law (see Utah Pesticide Control Act 4-14-111(3)(d)) was passed that requires a "Qualifying Party" to be associated with each Commercial Pesticide Business License. There are three ways to become a Qualifying Party:

1. Maintain a valid Utah Commercial Pesticide Applicator's License for two or more years
2. Maintain a valid Pesticide Applicator's License from another state for two or more years that qualifies for a Utah reciprocal license

OR

3. Provide a copy of a related Associate's Degree (or higher) and date graduated. Accepted degrees include horticulture, agriculture, entomology, biology, and chemistry. UDAF has the discretion in deciding what other fields of study may be acceptable.

## **Responsibility of Company Owner/Manager and Employee/Applicator**

Utah R68-7-8(F) requires that UDAF be notified by the employer and employee when there is a change in contact information or employment within 30 calendar days.

Employers: Email contact updates (i.e. business moved, new manager or Qualified Applicator) and/or names and license numbers of terminated or new employees to UDAF-Pesticide@utah.gov

Employees: Email your contact updates (i.e. new email, change of address) and/or when you've left an employer or when you've begun work with a new employer to UDAF-Pesticide@utah.gov

## **Other Business License Information**

Fee: The Business License fee is triennial (once every three years), will expire on December 31st of the third year and will vary in the amount due depending on the number of applicators:

Companies with 1-4 Commercial pesticide applicators (\$75)

Companies with 5-9 Commercial pesticide applicators (\$150)

Companies with 10 or more Commercial pesticide applicators (\$300)

Each location that employs Commercial Pesticide Applicators is required to pay a Pesticide Business License fee for that location.

Commercial Pesticide Applicators who are not affiliated with a Commercial Pesticide Business are required to obtain and pay the fees for a Commercial Pesticide Business License AND a Commercial Pesticide Applicator License.

Please fill out your company information and include the appropriate fees. Return the completed form to UDAF.

If you have any questions please contact us at 801-538-7185 (option #2) or UDAF-Pesticide@utah.gov
