APPLICATION FOR FERTILIZER OR SOIL AMENDMENT BLENDERS LICENSE (4005)

Customer No. _____

Company Name _____

Address _____

City _____ State _____ Zip _____

Contact Name _____ Phone _____ Fax _____

Contact Email _____ Website _____

Application is made by the above named Person, Firm, or Corporation to the Utah Department of Agriculture and Food for a license to mix and blend commercial fertilizer, fertilizer, materials, and soil amendments according to customer formulation orders for the year ending December 31, _____

Fees are \$75.00 for each blending plant. This license fulfills the regulatory compliance for customer-formula custom blended products.

BLENDING PLANTS

Location of fertilizer or soil amendment blending plant:

If more than one fertilizer or soil amendment blending plant is to be operated by the above named applicant, list below the address of each additional blending plant:

1. _____
2. _____
3. _____

The fertilizer law which authorizes blending of fertilizer & soil amendment materials lists, in part, the following requirements:

1. Each batch of blended fertilizer or soil amendment shall be uniformly mixed.
2. The licensee must furnish each purchaser a written statement indicating the net weight, guaranteed analysis, and the name and address of the registrant of each material used in blending each shipment of fertilizer or soil amendment.

The applicant herewith agrees to comply with the above requirements and others specified in the Utah Fertilizer Law.

Signature _____ Title _____
