Utah State-Brian Nummer, Process Authority	USU, Nutrition & Food Science Dept., 750 N 1200 E, Logan Nutrition program calculation is free if you enter data in computer program yourself. Process Authority letter is \$ 25	435-797-2116	\$ 45 (Certification Letter \$25)	\$ 45 (Certification Letter \$25)	\$12 - \$ 45	No	No	\$45 (with all data supplied) Calculated by USU staff from your recipe
Crystal G Bartlett	<a href="mailto:dailyvalue@ureach.com">dailyvalue@ureach.com</a>	801-226-6929						\$100 per label <sup>*3</sup>

\*1 Micro testing \$ quoted are SPC(standard plate count), Yeasts & Molds, Coliform testing. It is best to call for exact quote and for other types of micro tests

\*2 This cost reflects the higher \$ of laboratory analysis. Price is for basic FDA required info.; additional vitamins or minerals are extra. Actual lab analysis is usually not needed, unless you are making a claim. The computer program which calculates a camera ready label from your recipe is generally adequate.

\*3 The price reflects calculating your nutrition facts panel from a recipe. Review of the entire label is \$ 80 per hour
