

Grower & Processing Licenses

- Grower and Processor licenses must be renewed annually (NLT 31 Dec).
- License window to renew opens 1 Nov
- All data required for an initial license is required for renewals.
- --Includes an FBI Background Criminal History (within the last 90 days)

- 
- FBI Background check is required for all initial and renewal licenses. Background check must be current within the last 90 days.
 - The background can take up to 4 weeks, therefore, it is recommended to initiate this step first before applying via the UDAF website.
 - Applicants can request the background check at the following website:
<http://www.edo.cjis.gov>
 - All names on the license must include a background check
 - Applicants should have their background check emailed or mailed directly to themselves and attach to their UDAF application once they apply
 - License application will not be reviewed unless a current background check report is attached to the application.

Cannabis Programs

This page contains information and resources related to Medical Cannabis and Industrial Hemp laws, rules, and programs administered by the Utah Department of Agriculture and Food. Please note that while both programs (Medical Cannabis and Industrial Hemp) are managed by the same team, they are unique and nuanced. Please review the information specific to the program you are interested in and recognize there are differences with each.
