## TO REGISTRANTS OF PESTICIDE PRODUCTS IN UTAH

### 1. What must be registered in Utah?

All pesticides must be registered prior to distribution within the state.

"Pesticide" means any: "substance or mixture of substances, including a living organism, which is intended to prevent, destroy, control, repel, attract, or mitigate any insect, rodent, nematode, snail, slug, fungus, weed, or other form of plant or animal life that is normally considered to be a pest, or that the commissioner declares to be a pest; (b) any substance or mixture of substances intended to be used as a plant regulator, defoliant, or desiccant; (c) any spray adjuvant, such as wetting agent, spreading agent, deposit builder, adhesive, or emulsifying agent with deflocculating properties of its own used with a pesticide to aid its application or effect; and (d) any other substance designated by the commissioner by rule. (Utah Code 4-14-2 (21)).

### 2. Adding new products

- \* **New products can be added easily on our website at <https://ag.utah.gov/productregistration.html>**
- \* The annual registration fee is **\$195.00** per pesticide product.
- \* Complete the [application form](#).
- \* The fee must be made payable to the Utah Department of Agriculture and Food and must accompany the application.
- \* A current label for each **NEW** product must be submitted with an application, on paper, disk, flash drive or email.
- \* All 25(b) products are required to be registered.

### 3. Yearly renewals

- \* All registrations expire on June 30 of each year; renewals not received in our office by that date will be assessed a late fee of **\$25.00 per product**.
- \* Any changes in labeling for each product must be submitted throughout the year or with renewal.
- \* If your product is currently registered and the label has not changed from the previous year, please indicate **NO LABEL CHANGES**.
- \* **Discontinuance** of a product requires notification either by email, on the UDAF website or on the renewal form. Payment of registration is required for 2 years.
- \* To **CANCEL** a product, a letter is required stating that the product is no longer in the channels of trade.
- \* Please keep the following information current: contact person, mailing address, phone number, fax number, email address for contact person and the URL for the company's website.

Your cooperation with the above mentioned items will expedite the registration of your product(s) and allow the Utah Department of Agriculture and Food to better serve you and the consumers of Utah.

**All registered pesticides are listed on the Department website listed below.** For more information contact:
