What qualifies as an Industrial Hemp Product?

Any product derived from or made by processing industrial hemp plants or plant parts for marketing, sale or distribution in Utah. Each industrial hemp product must be registered annually.

- \$250 per product containing hemp seed oil, hemp oil, extract, or cannabinoids. \$75 Service fee per product.
- \$125 per product containing industrial hemp seed or solid seed derivatives. \$75 Service fee per product.
- \$50 Late Fee if current products are not renewed by June 30th, 2020.

Regulatory Action

Products may be sampled. Products with THC over 0.3% will be found in violation. If any products or retail establishments are found to be out of compliance with Utah law and administrative rule, the following regulatory actions will be initiated:

- **Notice of Violation**
- **Violation**
 1. Hold Order / Embargo
 2. Citation
 3. Product Seizure

R68-33-62

It is a violation to: 1.) market or sell industrial hemp product in the state of Utah without an industrial hemp retail permit; 2.) distribute, market, or sell industrial hemp product that is not registered with the department 3.) market or sell industrial hemp products without a valid retailer permit; or 4.) refuse inspection of a retail establishment, product for sale, or a product storage area.

Retail Permit

4-41-103.3. Industrial hemp retailer permit.

- A retailer permittee of the department may market or sell industrial hemp products.
- Fee \$50 per location per year.
- Expiring on December 31 each year.

R68-33-3

- A person who sells, offers for sale, exposes for sale, or markets an industrial hemp product in the state shall secure an industrial hemp retailer permit from the department.
- A permit shall be obtained before an industrial hemp product is offered for sale in Utah.

R68-33-41

- The department shall randomly inspect a retailer permittee to ensure industrial hemp product distributed or available for distribution in Utah is in compliance with Rule R68-26.
- The department shall periodically sample, analyze, and test industrial hemp product distributed within the state for compliance with registration and labeling requirements, and the certificate of analysis, if applicable.
- Pursuant to Section 4-1-105, the department may take samples at no charge to the department.
