**NATIONAL POULTRY IMPROVEMENT PLAN - APPLICATION**

This application shall be used to apply for enrollment in the National Poultry Improvement Plan. The applicant with a breeder flock must conduct appropriate surveillance testing. **The test report must accompany this application.** Applicants applying for an affiliate flock (all birds purchased from an NPIP source) must include a copy of a VS form 9-3 or an invoice as proof that birds were purchased from NPIP sources. **Mail this completed application, test reports (if applicable) and supporting documents to the above address.**

<b>Flock Owner Information</b> (Individual or other legal entity)

Please check bird type				
<input type="checkbox"/> Egg Type Chickens <input type="checkbox"/> Meat Type Chickens <input type="checkbox"/> Waterfowl, Exhibition Poultry & Game Birds <input type="checkbox"/> Turkeys <input type="checkbox"/> Ostrich (Ratites)				
Dates you will be hatching (if applicable)			Hatching capacity (if applicable)	
<b>All Breeds or Strains Handled</b> (use back of application if necessary)		<b>Supplier of Purchased Birds or Eggs</b> (include copy of VS 9-3, if applicable)		<b>Number of Breeders</b>

I agree, as provided in the plan, to:

- Comply with the NPIP rules and regulations outlined in the National Poultry Improvement Plan and Auxillary Provisions and the Utah Administrative Code Title 4 Chapter 29 and Utah Department of Agriculture Administrative Rule R58-6.
- Maintain acceptable hatchery and flock sanitation and allow department inspection once a year.
- Purchase or receive only NPIP products.

Records for the Utah NPIP will be kept on a fiscal year basis (July 1 - June 30 of following year). All documents, inspection records and testing records must reach this office before a certificate will be issued.
