

AFFIDAVIT TO PROHIBIT INSECTICIDE APPLICATION

(Only for persons that may suffer medical harm from insecticide application)

2024 Japanese Beetle Eradication Project

This form is for owners or occupants residing within the boundaries of the Plant Pest Emergency control area that may suffer medical harm from insecticide application. Per UCA § 4-35-107 (3)(a), persons properly completing this form and submitting it to the Utah Department of Agriculture and Food by **May 10th, 2024** may have their properties exempt from pesticide application, and instead will need to complete alternative, non-chemical measures approved by the department to abate the insect infestation.

Incomplete or unsigned forms will not be considered by the Utah Department of Agriculture and Food.

SECTION I:

To be completed by applicant

Name of applicant:
Signature:
Address:
Best contact* (phone/email):

**Contact information is necessary to receive instructions for non-chemical measures to control the infestation.*

SECTION II:

To be completed by physician or physician's assistant

I do solemnly swear that _____ (name of patient) is in my medical care and it is my professional medical opinion that this person may suffer serious harm as a result of the Utah Department of Agriculture and Food's planned application of chlorantraniliprole.

I further affirm, that I have read and understand "Section 12—Toxicity" of the National Institute of Health's chlorantraniliprole chemical summary, which describe the effects of this chemical on humans and animals. The weblink to this document is below.

[Pub Chem Chemical Summary](https://pubchem.ncbi.nlm.nih.gov/compound/Chlorantraniliprole)

<https://pubchem.ncbi.nlm.nih.gov/compound/Chlorantraniliprole>

I declare under criminal penalty under the law of Utah that the foregoing is true and correct.

Signed on the ____ day of _____, _____, at _____.
(Date) (Month) (Year) (City or other location, and state or country)

Printed name physician

Signature
