

Agricultural Water Optimization Program - FY25 Ranking - On-Farm				
Question #	Ranking Question	Response	Possible points	Total Points
1	Is the proposed project type one of the following priority projects; subsurface drip, automated surge, measurement/telemetry?	Yes	35	35
		No	0	
2	What type of potential saved water was identified during the pre-consultaion with the Utah Division of Water Rights?	Depletion	15	15
		Diversion	10	
		None	0	
3	What is the status of the Saved Water change application (if any)?	Approved	20	20
		Filed	10	
		None	0	
4	Does the current irrigaiton system have an existing real time water measurement device or will the proposed project install a real time water measurement device to be used for one year prior to project installation?	Meter Installed Now	10	10
		1 Year Before Project	5	
		None	0	
5	Is the project located within the Great Salt Lake Watershed?	Yes	5	5
		No	0	
6	Is the project located within an adopted Groundwater Management plan area, or under consideration for a Groundwater Management plan area by the State Engineer?	Yes	5	5
		No	0	
7	Is the project located within the Colorado River Basin?	Yes	5	5
		No	0	
8	Is the project funded within a Natural Resources Conservation Service (NRCS) irrigation Stratigic Funding Proposal (SFP)?	Yes	2	2
		No	0	
9	Do you currently have a written financial agreement with another party to fund this project?	Yes	2	2
		No	0	
10	Does this project include one of the following irrigation water management practices; variable frequency drive (VFD), flood irrigation sensor, real-time soil moisture sensors, laser land leveling?	Yes	2	2
		No	0	
11	Does the project have a design?	Yes	1	1
		No	0	
12	What is the total projct cost/acre?	\$0 - \$4,000/acre	4	4
		\$4,001 - \$8,000/acre	2	
		\$8,001 or more/acre	0	
13	Do you have a current water optimization project under a contract extension?	Yes	-10	0
		No	0	
		<b>TOTAL POINTS</b>		<b>106</b>

### Agricultural Water Optimization Program - FY25 Ranking - Canal/Irrigation

Question #	Ranking Question	Response	Possible points	Total Points
1	Is this an application for a Water Loss Study that meets program criteria?	Yes	100	100
		No	0	
2	What type of project?	Piping, Telemetry, Automation	30	30
		Lining	15	
		Other	0	
3	What is the status of the Saved Water change application?	Approved	20	20
		Filed	10	
		None	0	
4	Do you currently have a written financial agreement with another party to fund this project?	Yes	10	10
		No	0	
5	Is the Project located within the Great Salt Lake Watershed?	Yes	10	10
		No	0	
6	Is the project located within the Colorado River Basin?	Yes	10	10
		No	0	
7	Is the project located within an adopted Groundwater Management plan area, or under consideration for a Groundwater Management plan area by the State Engineer?	Yes	10	10
		No	0	
8	Does the project have a design?	Yes	5	5
		No	0	
9	Is this project an additional phase of a previously funded water optimization project?	Yes	5	5
		No	0
