General Warning Statement Language Update

Dr. Licensee,

This bulletin serves as a notice to processing licensees on the general warning statement language update that is required for a container labeled on or after January 1, 2026. Licensees can start adding it to products now in preparation for this change. The updated language is as follows:

"WARNING: Cannabis use by pregnant or breastfeeding women, may result in fetal injury, preterm birth, or developmental problems for the child. Cannabis may be addictive and may increase risk of mental illness. Do not operate a vehicle or machinery under its influence. KEEP OUT OF REACH OF CHILDREN. This product is for medical use only. Use only as directed by a recommending medical provider."

Licensees shall follow the notice in order to meet statutory or rule requirements as outlined in:

[Utah Code 4-41a602\(b\)\(v\)\(B\)](#)
