Subject: Agent Card Return Requirements

Highlights

- Agent cards do not need to be returned to UDAF.
- If there is no work facility printed on the card, the card should stay with the agent if/when they separate from the facility.
- If a card is abandoned and they are unable to return it to the agent, they can destroy it on site or return it to UDAF.
- If there is a work facility printed on the card, the facility can decide if they want to allow the agent to keep their physical agent card, or they can retrieve the card upon separation and destroy it on site or return to UDAF.

UDAF removed the requirement for facilities to return physical agent cards quite some time ago.

UDAF stopped printing work facility names on cards in Nov 2024.
